# Save Password at Login – iPads (All iPads)

1. First **ensure** that '**Password AutoFill**' has been **enabled** (see our How To guide on this)
2. *You need to ensure you do not have any passwords already saved for bernardmageebridge.com.*
   *To check if you already have a saved password, please see our How To guide: "How to Edit Password on iPads".*
3. Once you have cleared / deleted any previously saved passwords for bernardmageebridge.com, go to this website **log-in page** (URL): **https://bernardmageebridge.com/bmb-login/**
4. **Enter** your **username** and **password** and you should then see this Safari message:

5. Simply **click**: Save **Password**.
