Edit Saved Password – Modern iPad

1. Click the Passwords App icon to access your iPad saved passwords:

2. In the Passwords app, find bernardmageebridge.com and select it. Then tap anywhere on the grey area on the right (yellow arrow) to edit the password details:

Edit Saved Password – Modern iPad

3. Once you have tapped on the grey area (yellow arrow in image above) you are into the saved password details for bernardmageebridge.com. Click Edit:
