How to: Enable / Accept Cookies

- Enabling Cookies on BernardMageeBridge.com will improve your experience when using the website and enable full functionality of its features.
- To enable the Cookies, the same action is required, regardless of which browser you are using.
- When you login to BernardMageeBridge.com a message appears at the bottom of the screen saying: *This website uses cookies to improve your experience*. *Learn more*. *Accept*
- You need to click on the 'Accept' button to enable the Cookies. This button will then go green.
- The below images show where the 'Accept' button is on each browser page.
